Wine: Susumaniello "Più Su" 2008 Cantine Vita

OMAR KHAYYAM (IRAN, 12th-13th Century)

Happily I walked with the tavern down the line

Passed an old drunk, holding a bottle of wine

"Do you not fear God?" was reproach of mine said,

"Mercy is God's sign, in silence I wine and dine."

A BIT OF UNIVERSE

THE ESSENCE OF GRACE

Now that I have raised the glass of pure wine to my lips, The nightingale starts to sing! Go to the librarian and ask for the book of this bird's songs, and Then go out into the desert. Do you really need college to read this book? Break all your ties with people who profess to teach, and learn from the Pure Bird. From Pole to Pole the news of those sitting in quiet solitude is spreading. On the front page of the newspaper, the alcoholic Chancellor of the University Said: "Wine is illegal. It's even worse than living off charity." It's not important whether we drink Gallo or Mouton Cadet: drink up! And be happy, for whatever our Winebringer brings is the essence of grace. The stories of the greed and fantasies of all the so-called "wise ones" Remind me of the mat-weavers who tell tourists that each strand is a yarn of gold. Hafiz says: The town's forger of false coins is also president of the city bank. So keep quiet, and hoard life's subtleties. A good wine is kept for drinking, never sold.

WINE

Remember, Lutucarda, wine is always wine:
where can you find a better thing?
Look at its colour! Look!
Doesn't it seem like amber? with not even dregs!

It gives you back strength and heat,
it makes you want to be a spouse:
and if you eat tasty game,
with a drop, you'll have your mouth fragrant again.
It's good dry, sweet and strong,
alone or with soup and bread, and if it's genuine
it helps your stomach and your brains.

It's good white, it's good red and black,
from Genzano, Orvieto and Vignanello:
but Est Est is real Paradise!

THREE CLUSTERS OF GRAPES

Giacinto, the plant of grapes has three clusters.
From the first, you must drink for pure joy;
from the second, for short and mild oblivion;
and then... stop drinking:
since the third is just sleep, and in a corner
pain already lies in wait, with its sharp eye;
and high cry mute tears,
already spilled.
